TOWN OF KINGSTON, N.H. **TOWN MEETING MINUTES - MARCH 12, 1985**

Article 1 - The Annual Town Meeting was called to order at 10 A.M. by the Moderator, George H. Harmon, for the balloting for Town Officers and the Officers of the Sanborn Regional School District. It was voted to adjourn the meeting, after the close of the counting of ballots, until 7:00 P.M. on Wednesday, to take up the remaining articles of the warrant; the continued meeting to be held at the Swasey Gymnasium.

The Town Clerk, Bettie C. Ouellette, broke the seals on the boxes of ballots, and the Moderator inspected the voting booths and the ballot boxes. The Moderator also announced that the Absentee Ballots would be processed at 3 P.M. The Assistant Moderator was Leonard F. Sanborn and the Ballot Clerks were Holly Ouellette, Carolyn Christie, Rochelle Lafontaine, Esther Greenwood and Gail Wozniak. Norman Bower and Donald Briggs, Jr. were the police officers. **MINUTES OF CONTINUED TOWN MEETING
AT SWASEY GYMNASIUM
March 13, 1985**

Meeting was called to order at 7 P.M. by George H. Harmon, Moderator. Prayer was offered by Rev. Wendell J. Irvine, First Congregational Church. The Moderator introduced the Selectmen: John J. Reinfuss, Bernard E. Robie, and Michael R. Priore, as well as the Town Clerk, Bettie C. Ouellette. He also introduced the Parliamentarian, Leonard F. Sanborn. He welcomed everyone to the meeting, and asked Richard L. Russman to come forward. He thanked Mr. Russman for serving as Town Moderator since 1968. The Moderator also announced there was an additional Article, #54A, added to the original Warrant.

The Moderator announced that he had appointed Marilyn Bartlett to the Finance Committee, whereupon a Point of Order was raised by Selectman John Reinfuss who advised the Moderator that he is not empowered to make any appointments according to RSA 40:4. This Law has been in effect since 1970. The Moderator pointed out that these appointments have been made for 15 years since 1970. Carroll Wright read from the 3/8/32 annual report which authorized the Moderator to appoint a Finance Committee. "Said committee to cooperate with the Selectmen in any way they may determine, but more especially in the preparation of a budget for the approval of the voters at the annual Town Meeting. This committee to be made up of 13 members, five to be appointed at each annual town meeting." Richard Russman said that with the Grandfather Clause, it indicates that the Moderator DOES have the power to appoint committees. Harry Carr said that the voters had spoken 50 years ago. This was followed by a motion by Russman that the Town vote to authorize the Moderator to continue to make appointments to the Finance Committee. This was voted in the affirmative.

Then the Moderator proceeded to appoint the following to the Finance Committee: Marilyn Bartlett, Natalie Davis, Vincent Palumbo and Lawrence Stevens. Later on the Moderator thanked Electra Alessio, Thomas Dangremond, Donald Eadie and George Schiller, Jr. for serving their terms on the Finance Committee.

The Moderator announced that a statement had been taken yesterday relative to Article 46 regarding the voting procedure. The Moderator then read the results of the balloting which was held yesterday.

Article 2 - A motion was made and seconded to raise and appropriate \$980,257.03. Numerous people addressed the items in question and after a lengthy debate, the amendment was passed on a voice vote. This was after a motion "to move the question" was made by Harry Carr. Then upon returning to the main motion, as amended, the total of \$949,357.03 was passed on a voice vote. The following deductions were made in this \$30,900. figure:

Town Officers' Salary	-1500.00
Legal Expenses	-10000.00
Police Department	-700.00
Building Inspection	-1000.00
Town Maintenance (Highways)	-5000.00
Health Department	-1000.00
Animal Control	-600.00
General Assistance (Welfare)	-5000.00
Library	+850.00
Recreation Commission	-1250.00
FICA/Retirement/Pension	-5000.00
Insurance	-700.00
Total Reduction	30900.00

Article 3 - It was voted, by voice vote, to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

Article 4 - It was voted, by voice vote, to authorize the Tax Collector to allow a deduction of 1 1/2% from Town Property Tax when payment is made within 30 days of billing. During the discussion, Henry Chabot wanted to have this made a part of the Town Report so it won't have to be voted on every year, but it was pointed out that this is not possible and it must be a vote every year. Also, an amendment, made by David Welch, "to authorize the Town Treasurer to pay to the Board of

Selectmen 10 cents per Resident Tax collected” was withdrawn after the Moderator ruled that this was not a valid amendment because it had not been properly advertised in the original warrant.

Article 5 - It was voted, by voice vote, to raise and appropriate the sum of \$20,000.00 for the purpose of revaluation of the Town. After Article 6 was discussed, it was voted to reconsider ARTICLE 5, and David Conant made the following amendment: “to be placed in a Capital Reserve Fund.” This was seconded and voted in the affirmative.

Article 6 - This article relative to the withdrawal of \$4,400.00 from the Revenue Sharing Fund for the purchase of a garden tractor with attachments for the maintenance of Town property, was NOT passed. When the voice vote was uncertain, the Moderator appointed the following tellers to count a standing vote: Vincent Palumbo, Carolyn Harlow, Laurence Middlemiss and Alfred Alberts. It was an obvious defeat from an “eye vote”. The vote was taken after a motion “to move the question”, made by William Pellerin, was passed on a voice vote.

Article 7 - It was voted, as amended, by voice vote, to raise and appropriate the sum of \$6,600.00 for the purchase of a tract of land, situated on the westerly side of Route 125 as shown on the Town of Kingston Tax Map R34 as Parcel No. 68 owned by the State of N.H. and abutted on the north by land of Alfred J. & Amy L. Alberts; on the west by land of Alfred J. & Amy L. Alberts and Stanley & Myra J. Shalett; on the south by land of Sanborn Regional School District (D. J. Bakie Elementary School). (The amendment which was voted, deleted the last sentence of the article which read “This land to be set aside for the future construction of a recreation building.”)

Article 8 - This article relative to raising and appropriating \$5,000.00 to meet requirements mandated by the State of N.H. in order that Greenwood Beach remain open to the residents of Kingston, was NOT passed by voice vote.

Article 9 - It was voted, on a standing vote, to appropriate and authorize the withdrawal of \$3,000.00 from the Revenue Sharing Fund, established under the State and Local Assistance Act of 1972, for the purchase of a new copy machine for the office of the Selectmen. The vote was taken after a motion “to move the question”, made by Harry Carr, was passed.

Article 10 - It was voted, by voice vote, to appropriate and authorize the withdrawal of the sum of \$400.00 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for the purchase of two (2) file cabinets for the office of the Town Clerk/Tax Collector.

Article 11 - It was voted, by voice vote, to raise and appropriate the sum of \$8,921.69. \$6,372.64 as a 5% cost-of-living increase for all full-time employees with \$2,549.05 to be set aside for merit increases deemed appropriate by the Board of Selectmen upon supervisory recommendation. (It was noted that there are 9 full-time employees.)

Article 12 - It was voted, by voice vote, to appropriate and authorize the withdrawal of the sum of \$9,600.00 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for the purchase and installation of security and fire alarm system for the Town Hall and Historical Museum Building.

Article 13 - It was voted, as amended, by voice vote, to raise and appropriate the sum of \$30,000.00 for the purpose of conducting a hydrogeological study and closure plan for the Kingston Landfill as mandated by State regulations, “and that revenues derived from other Towns in regards to this specific hydrogeological study be placed in a Capital Reserve Fund for the future study or closure of the dump.” (This amendment (in quotes) was made by John Reinfuss.)

Article 14 - It was voted, by voice vote, to raise and appropriate \$20,000.00 to be added to the Capital Reserve Fund for the future replacement of Engine No. 2, 1968 Chevrolet. (The following amendment was made by Carol Forsythe and NOT passed, by voice vote, "to substitute Fire Apparatus for 1968 Chevrolet".)

Article 15 - This article was passed over, by voice vote, until Article 19 was acted upon.

Article 16 - It was voted, by voice vote, to withdraw from the General Funds all monies received from the use of the ambulance for the year 1984 and place all monies from the use of the ambulance into a Capital Reserve Fund for the future replacement of the ambulance. RSA 35:1 (B) (Supp) & 35:3 (Supp) & 35:11 & Chapter 35 generally.

Article 17 - It was voted, by voice vote, to appropriate and authorize the the withdrawal of \$2,000.00 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for the pruchase of six Motorola Monitor Pagers for the Fire Department.

Article 18 - It was voted, by voice vote, to appropriate and authorize the withdrawal of the sum of \$829.25 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for the pruchase of one Motorola Portable Radio for the Fire Department.

Article 19 - It was voted, by voice vote, to raise and appropriate \$3,712.50 for the purpose of establishing the position of part-time secretary for the Fire Department at 15 hours per week for 50 weeks at wage matrix level Class IX. (Now returned to Article 15 to act upon that.)

Article 15 - It was voted, by voice vote, to appropriate and authorize the withdrawal of \$1,200.00 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, said money to be used for the purchase of one desk, one chair and one typewriter for the Fire Department.

Article 20 - It was voted, by voice vote, to accept RSA Chapter 154 in its entirety, per the Fire Dept. petition.

Article 21 - It was voted, by voice vote, to pass over this article which dealt with accepting the attached by-laws of the Kingston Fire Department. (After the vote was taken the Moderator allowed several speakers to try to explain the reason for this action.)

Article 22 - It was voted, by voice vote, to raise and appropriate the sum of \$30,000.00 for the purchase of a new GMC or Chevrolet dump truck to replace the 1974 model, currently in use, which is to be used in trade.

Article 23 - This article relative to raising and appropriating \$11,356.80 per year to authorize one additional full-time laborer for the highway department, funded for seven months at a cost of \$8,421.50 including benefits, was NOT passed, by voice vote.

Article 24 - It was voted, by voice vote, to raise and appropriate \$1,700.00 for the Police Department to purchase one eight-channel radio to replace our current radio, which is 17 years old. This radio to be purchased at state bid price.

Article 25 - It was voted, by voice vote, to raise and appropriate \$825.00 to purchase a new electronic typewriter by sealed bid for the Police Department.

Article 26 - It was voted, as amended, to raise and appropriate \$7,737.13 for the purchase of a 1985 Ford Crown Victoria 'S' four door sedan, with electronic siren and a new cage, Police Cruiser at state bid price. Old cruiser to be sold at public auction to defray cost of new cruiser.

Article 27 - It was voted, by voice vote, to authorize the Selectmen to apply for, receive and expend a sum of \$10,000.00 for radar patrol if available or awarded under the State of N.H. Highway Safety Program as 100% state funded.

Article 28 - It was voted, by voice vote, to raise and appropriate the sum of \$800.00 for a 20,000 BTU air conditioner to replace the old one at the Police Station.

Article 29 - It was voted, by voice vote, to raise and appropriate the sum of \$400.00 to purchase an in-line watt-meter for testing radios being set up or tuned up for all Fire Dept., Highway Dept. and Police Dept. radios.

Article 30 - It was voted, by voice vote, to authorize the Selectmen to withdraw \$5,000.00 from the Capital Reserve Fund for the purpose of buying a new cruiser (1985) at state bid price, the balance to be raised in Article 26. Also see an addition to this article AFTER Article 31 was taken up.

Article 31 - It was voted, on a standing vote of 78 to 49, to raise and appropriate the sum of \$500.00 to hire an engineering firm to plan and engineer a safety complex building for the Police Department adjacent to the Fire House and to propose an estimated price for construction.

At this time Leonard Sanborn made a motion to reconsider Article 30. This was passed and then the following was passed by a voice vote. "To withdraw the \$5,000.00, plus the accumulated interest, from the Capital Reserve Fund."

Article 32 - It was voted on a standing vote of 77 to 57, to raise and appropriate the sum of \$15,000.00 to be placed in a Capital Reserve Fund for the future building of Police Station. The vote was taken after a motion made by Norman Bower "to move the question" was passed.

Article 33 - This article was temporarily tabled until the proper wording could be established.

Article 34 - It was voted, by voice vote, to raise and appropriate \$3,217.50 for the purpose of establishing the position of part-time Secretary for the Police Department at 25 hours per week.

At this point, Constance Archambault made a motion to adjourn the meeting until Friday Night at 7 P.M., whereupon Neil Parker made an amendment to take up Article 33 before adjourning. Then Harry Carr made another amendment to

change the time to 10 A.M. Saturday morning. This was not seconded. The Moderator announced that he could not be present on Friday night, and Richard Russman made a new amendment to adjourn until Wednesday night, March 20, at 7 P.M. This amendment was passed on a standing vote of 74 to 41. However, upon returning to the main motion, it was defeated on a standing vote of 56 to 70, and the meeting continued, returning to take up Article 33.

Article 33 - It was voted, by voice vote, to remove this Article from the table. It was then voted, by voice vote, to authorize an additional full-time position in the Police Department call "police officer". Said position will be a grade XIV on the wage schedule, and to raise and appropriate for the current year \$9,311.18 for salary, retirement and medical benefits for 28 weeks.

Article 35 - A motion was made and seconded to appropriate and authorize the withdrawal of the sum of \$8,000.00 from the Revenue Sharing Fund, established under the State and Local Assistance Act of 1972, for the purchase of a chair lift to be installed in the Town Hall. Then an amendment was made by John Reinfuss, Selectman - "to see if the Town will vote to raise and appropriate the sum of \$12,000.00 and to appropriate and authorize the withdrawal of the sum of \$12,000.00 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for the purchase of a chair lift to be installed in the Town Hall. Total cost of this project not to exceed \$24,000.00." The amendment was NOT passed on a voice vote, after it was voted "to move the question". Then upon returning to the main motion, that also was NOT passed on a voice vote.

At this point, David Conant, a member of the Sanborn Regional School Board, reported to the Moderator that on either Saturday or Wednesday the Gymnasium would be available for the continued Town Meeting.

A motion was made and seconded to adjourn to 1 P.M. on Saturday, followed by an amendment to adjourn to 7 P.M. on Wednesday night, the 20th. The amendment was passed on a voice vote and then the main motion, as amended, was passed on a voice vote. The meeting adjourned at 11 P.M. to March 20, 1985.

Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING MARCH 20, 1985

The meeting was called to order at the Swasey Gymnasium at 7 P.M. by the Moderator, George H. Harmon. The Moderator again introduced the Selectmen, Town Clerk and the Parliamentarian.

Article 36 - It was voted, by voice vote, to add to the General Reserve Fund, established in 1984, for cemetery maintenance the sum of \$600.00 being the amount received in 1984 for the sale of cemetery lots.

Article 37 - It was voted, by voice vote, to table this motion relative to establishing a Cemetery Committee to be responsible for the care and maintenance of cemeteries and cemetery equipment.

Article 38 - It was voted, by voice vote, to raise and appropriate the sum of \$2,000.00 for the support of the Seacoast Regional Mental Health Center, Inc., these funds requested to be used to provide services to residents of the Town of Kingston whether or not said residents are able to pay.

Article 39 - It was voted, by voice vote, to raise and appropriate the sum of \$6,000.00 for the support of the Family Mediation Program of So. Rockingham County.

Article 40 - This article was passed over at the request of Neil Parker, petitioner.

Article 41 - It was voted, by voice vote, to raise and appropriate the sum of \$1,628.00 to assist Rockingham County Community Action Program, Inc. These funds requested are to be used for current operating expenses to enable Rockingham County Community Action Program, Inc. to continue providing services to residents of Kingston at no cost to said residents.

Article 45 - It was voted, by voice vote, to raise and appropriate the sum of \$929.00 to assist Rockingham Child & Family Services, a private non-profit organization.

Article 46 - This article relative to allowing an industrial development to be located on 7 acres of land on Mill Road was NOT passed, by voice vote. (There was a long period of discussion on this article, and the vote was taken after a motion by Norman Bower "to move the question" was passed.)

Article 47 - This article was withdrawn by the petitioner, Paul C. Nelson, Jr. The article dealt with placing \$5,000.00 into the Capital Reserve Fund for the purchase of a recreation building.

Article 48 - It was voted, by voice vote, to adopt the following Ordinance:

ORDINANCE
RELATIVE TO INTER-COMMUNITY
POLICE ASSISTANCE

An Ordinance adopted pursuant to N.H. RSA 106-C:3 to promote the health, safety and welfare of the inhabitants of the Town of Kingston.

The Selectmen of the Town of Kingston hereby authorize pursuant to the provisions of N.H. RSA 106-C:3 the Chief of Kingston Police Department to extend assistance in time of emergency to any other municipality or the County of Rockingham subject to such restrictions and conditions as may be imposed by law.

It was voted, by voice vote, on a motion made by Harry Carr, to take up Article 50 before considering Article 49.

Article 50 - A motion was made and seconded, to adopt the provisions of the Municipal Budget Law. This was followed by a long pro and con discussion. Then it was voted "to move the question", and the secret yes and no ballot was taken. The results were announced by the Moderator: YES 90 NO 50. Total of 142 names checked off on official check list. The Moderator was assisted by Holly Ouellette, Carolyn Harlow and Thomas Dangremond.

Then Harry Carr made a motion which was seconded, that the Moderator appoint the members of the Municipal Budget Committee. Then it was amended "to consist of 12 members". At this point, the Town Clerk read RSA 32:2 which states that a proper article must be in the warrant for said meeting in order to make this decision. After this, the Moderator ruled this motion and the amendment "out of order". Leonard Sanborn then made a motion that the provisions of the Municipal Budget Act become effective at the next annual meeting. This was NOT passed, by voice vote, and there was much confusion.

Dorothy Champion then made a motion to recall Article 49, and this was passed; so Carroll Wright proceeded to make an amended motion, as follows: "To see if the Town will vote to authorize the Moderator to appoint a committee to be known as the Budget Committee of the Town of Kingston. Said committee shall consist of 12 members-at-large appointed by the Moderator as provided for under the Municipal Budget Act." After a long discussion, the motion was passed, by voice vote. The vote was taken after a motion "to move the question" was passed.

Article 51 - Voted on the written ballot on March 12th.

Article 52 - A motion was made and seconded to pass over this article, but it was defeated on a standing vote of: YES 42 NO 60. Then the article was NOT passed on a voice vote. (This petition was to reduce the salary of each member of the Board of Selectmen to \$1,000.00.)

Article 53 - It was voted, by voice vote, out of concern for the health and safety of its citizens, to instruct the Selectmen and other appropriate public officials to work cooperatively with the N.H. Civil Defense Agency and other involved State agencies to help improve the Town's Draft Emergency Response Plan which has been prepared in order to protect the public in the event of an accident at Seabrook Station or any emergency such as a major fire, flood, storm or toxic spill, and in so doing, to participate in the exercise conducted in cooperation with State and Federal Officials to test the Plan. This article is not intended to constitute final approval by the Town of the Draft Emergency Response Plan. This vote was taken after a motion made by Norman Bower "to move the question" was passed.

Article 54 - It was voted by a standing vote (YES 72 NO 8) to raise and appropriate \$1,250.00 to assist Seacoast Hospice, a non-profit organization. A motion by Dr. Daniel Burbank "to move the question" was passed.

Article 54A - A motion was made by Phyllis Gallagher "to see if the Town will vote to appropriate a sum, not to exceed \$9,000.00 for the purpose of construction and paving of additional parking facilities adjacent to the Nichols Memorial Library". The motion was seconded, and the article was NOT passed on a standing vote YES 49 NO 57.

Article 55 - It was voted, by voice vote, to authorize the Selectmen to sell tax-deeded property at public auction.

Article 56 - It was voted by a standing vote of YES 49 NO 39, to accept the Auditor's Report for the Town Report as printed.

Article 57 - Jackie Russell questioned the Selectmen as to when the Hunt Road project would be started since she had been told that it would start two years ago. John Reinfuss reported that there are State Funds and Regular Funds available to do about one mile of the road and something will be done in the coming year.

Electra Alessio requested that Article 35 be reconsidered because the wording was confusing and she wanted to offer an amendment. It was then voted, by voice vote, to reconsider Article 35.

It was voted, by voice vote, to raise and appropriate the sum of \$12,000.00 and to appropriate and authorize the withdrawal of the sum of \$12,000.00 from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for the purchase of a chair lift to be installed in the Town Hall. Total cost of this project not to exceed \$24,000.00. This vote was taken after it was voted "to move the question."

It was voted to adjourn at 10:08 P.M. Neil Parker, Chief of Police, introduced the Explorers who handled the microphones for the meeting - Tina Cappello and Lauren Voss. John Reinfuss was given a rising vote of thanks for his six years of service as a Selectman.

RECOUNT

On March 14, 1985, the following letter, with the \$10.00 fee, was received by the Town Clerk:

"To: Town Clerk, Town of Kingston, N.H.

From: James G. Prenaveau

I do hereby apply in writing and within 3 days for a recount of the ballots cast for the office of Fire Ward on March 12, 1985.

Respectfully,
(signed) James G. Prenaveau"

After receipt of this request, the following Order of Notice was issued by the Town Clerk:

"You are hereby notified in compliance with RSA Chapter 669:31 that there will be a recount of all ballots cast for Fire Ward in the Election of March 12, 1985, at seven o'clock in the evening (7:00 P.M.) on Thursday, March 21, 1985 at the Kingston Town Hall - upstairs.

(signed) Bettie C. Ouellette
Kingston Town Clerk"

Copies were mailed to: James G. Prenaveau, Donald W. Briggs, Sr., George H. Harmon, John J. Reinfuss, Bernard E. Robie, Michael R. Priore and Richard P. Day.

RESULTS OF RECOUNT

On March 21, 1985 at 7:00 o'clock in the evening, the Recount took place at the Town Hall - upstairs. The Recount Board consisted of the Moderator, George H. Harmon; Town Clerk, Bettie C. Ouellette and the three Selectmen, Bernard E. Robie, Michael R. Priore and Richard P. Day. Also present were James G. Prenaveau and Donald W. Briggs, Sr. Both Prenaveau and Briggs had an observer - David J. Matthews and AnnaBelle L. Briggs, respectively.

The ballots were brought from the Town Hall vault by the Town Clerk and they were carried by Police Officer Charles Hillner IV. The seal was broken and the Recount was started.

The following results were obtained:

Donald W. Briggs, Sr.	675*	+2
James G. Prenaveau	625	-1
Kermit the Frog	1	
Invalid	4	
Blanks	44	
Total votes cast	1349	

Therefore, the Moderator declared that Briggs was still the winner, and he was sworn into office. The session closed at 8:50 P.M., after which the ballots were sealed and signed by the Moderator, Selectmen and Town Clerk, and they were locked in the Town Hall vault by the Selectmen and the Town Clerk.

**MINUTES OF SPECIAL TOWN MEETING
TOWN OF KINGSTON, N.H.
September 24, 1985**

The meeting was called to order at 7 P.M. in the Town Hall by the Moderator, Harry J. Carr. He asked all unregistered voters to take a seat on the sidelines and refrain from voting. He introduced the Town Clerk, Bettie C. Ouellette, and the Selectmen - Bernard E. Robie, Chairman, Michael R. Priore, and Richard P. Day.

The Town Counsel, Attorney David C. Engel, was also seated at the table with the Board of Selectmen and the Moderator asked him to move and to take a seat on the sidelines. Attorney Engel said that it is up to the Selectmen as to where he sits and after two more attempts to have him move, the Moderator ordered the Chief of Police, Neil R. Parker, Sr., to remove Attorney Engel from the room. David Conant addressed the people stating that the Counsel for the School District is always present at all district meetings, but he sits in the front row. When a point of order was raised as to what makes the difference where the Attorney sits, a vote was taken by the Moderator and it was voted unanimously to have Attorney Engel remain at the meeting.

The Moderator then proceeded to read the Legislative approval to hold this Special Town Meeting.

ARTICLE 1 - Before the Moderator read the entire article from the Warrant, Donald Eadie had a point of information and proceeded to have Phyllis Buckley pass out copies which contained the original petition presented to the Board of Selectmen as well as the posted Warrant. (The first Article of the Warrant WAS NOT as posted.) Mr. Eadie proceeded to speak at length asking the Board of Selectmen why the articles were changed and also asked if the articles had been reviewed by Town Counsel. Selectmen answered "Yes". This all happened before any motion was made and seconded to be discussed. Finally, the Moderator asked for a motion on Article 1.

Then Phyllis Buckley made an amended motion, as follows: "To see if the Town will vote to adopt a Budget Committee which shall consist of 12 members-at-large, 1/3 of the members-at-large shall hold office 1 year, 1/3 for 2 years, and 1/3 for 3 years and each year thereafter 1/3 shall be elected or

appointed and qualified.” The motion was seconded.

After a pro and con discussion, it was voted, by voice vote, to accept this amended motion, as printed in the previous paragraph.

ARTICLE 2 - A motion was made by James T. Rankin, Sr., and seconded, “that the members-at-large be elected annually at the Town Meeting.”

Then after a further confusion regarding the passage of Article 1, Mr. Rankin withdrew his motion. Phyllis Buckley then made a motion to bring Article 1 back on the floor and Thomas Dangremond asked if Town Counsel would please help the people to understand what had happened to avoid further illegalities of the Budget Committee. Attorney Engel addressed the people, fully explaining that a motion had never been made to accept the original Article 1 as printed before the amended motion was made by Mrs. Buckley. Therefore, this matter could be challenged later.

Then Steven Smith made a motion to accept Article 1, as amended. “This was seconded and passed by voice vote.

ARTICLE 2 - A motion was made by James T. Rankin, Sr., “that the Budget Committee be elected annually at the Town Meeting and that a committee be appointed by the Moderator at this meeting.”

Another confusion arose because the original article was not brought up first. Then Mr. Rankin withdrew his motion and Donald Eadie made the following motion: “That Article 2 be passed as printed.” It was seconded and then Mr. Rankin made the following amendment: “That the Budget Committee be elected annually at the Town Meeting with the provision that the Moderator appoint the Budget committee until the next annual Town Meeting.” This motion was seconded.

A second amendment was made by Herbert Noyes: “to choose to elect the members-at-large by official ballot at the next annual town election and authorize the Moderator to appoint an interim committee as per RSA 669:17.”

It was seconded and this second amendment was passed by voice vote. Then the first amendment was passed by voice vote. Then upon returning to the vote on the original motion, as amended, Mr. Eadie wanted the discussion opened again as to whether the members should be elected or appointed. After much discussion, it was voted, by voice vote, to accept Article 2, as amended.

ARTICLE 3 - It was voted, by voice vote, on a motion by Steven Smith, to table Article 3.

The Moderator then recognized Senator William S. Bartlett, Jr., who explained that he felt that Article 1 should be reconsidered because there had never been a motion to accept the article as printed before Mrs. Buckley had made the amended motion. This confusion should be cleared up.

Donald Eadie made a motion "to reconsider Article 1 for the purpose of clarification." This was passed by voice vote, after it was voted "to move the question".

Next a motion was made by David Welch "to accept Article 1 as printed." This motion was seconded and then the following amendment was made by Phyllis Buckley: "To see if the Town will vote to adopt a Budget Committee which shall consist of 12 members-at-large, 1/3 of the members-at-large shall hold office for 1 year, 1/3 for 2 years, and 1/3 for 3 years and each year thereafter 1/3 shall be elected or appointed and qualified and for three year terms thereafter, with one member of the Board of Selectmen to be chosen by said board." This amendment was seconded.

Then the following amendment was made by Thomas Dangremond: "To delete the final protion of the first amendment, namely 'with one member of the Board of Selectmen to be chosen by said Board' ". This second amendment was seconded by voice vote.

Then the first amendment was passed by voice vote, and Article 1, as amended, was passed by voice vote.

To avoid further confusion later on, the final article as voted, was: "It was voted to adopt a Budget Committee which shall consist of 12 members-at-large, 1/3 of the members-at-large shall hold office for 1 year, 1/3 for 2 years and 1/3 for 3 years and each year thereafter 1/3 shall be elected or appointed and qualified and for three terms thereafter."

ARTICLE 4 - It was voted, by voice vote, to adjourn at 8:45 P.M.

1985 REPORT

The year 1985 shows another increase of \$55,190.00 in Motor Vehicle Permit Receipts which was again due to more new vehicles being registered with higher factory list prices. A total of 614 dogs and 10 groups were licensed, showing a decrease of \$600.15 in receipts. Notices will be mailed to dog owners who are delinquent. Sorry to learn of Dick Samoisette's resignation. We are looking forward to the same great cooperation from Jack Burke. Dogs must be licensed once a year, by State Law. These are due April 30 and penalty of \$1.00 per month after May 31.

The following Vital Statistics were recorded: 55 Births, 51 Marriages and 37 Deaths, showing an increase of 3 Deaths. The revenue from the Boat Taxes shows an increase of \$311.15. The 1986 decals should arrive about March 1st to renew Boat Plates.

During 1985, 130 Voter Registrations were accepted, as well as 4 name changes and 2 party changes. We work in full cooperation with the Supervisors of the Check List. There was one election - Town Meeting March 12th and a Special Town Meeting September 24th. 124 Absentee ballots were issued for Town Meeting. Thanks to the Moderators and all ballot clerks, counters and assistants for their help at every election.

In 1986, there will be three elections - Town Meeting on March 11th, State Primary September 9th and State General Election on Nov. 4th. The voting takes place upstairs in the Town Hall, and the Polls are open from 10 A.M. to 7 P.M. Absentee ballots are available for anyone who is physically unable to come to vote, as well as those who are on vacation, working out of Town, etc. Call 642-3112 if there are any questions.

Since December, 1982, Kingston has been issuing renewal Decals for the State of N.H. - Motor Vehicle Dept. and this service continues to be happily received since it saves times and gas. We have the added feature of being open two evenings - Monday and Tuesday - 7 to 9, as the Motor Vehicle Dept. is not open at night. We can renew the same plate to the same person to the same vehicle. NO NEW PLATES AND NO TRANSFERS. We can also issue FIVE DAY TEMPORARY PLATES.

In August the Town accepted with regrets the resignation of Deputy Town Clerk, Gail Wozniak. After several interviews we were happy to welcome back Rochelle Lafontaine. This was just a review for Rochelle as she had worked with me for 7 years before, and the Town is very fortunate to have her back as Deputy Town Clerk. I wish to express my deepest appreciation to Holly Ouellette, Deputy Tax Collector and Office Clerk, for her continued dedication to my office and to the Town of Kingston, and for all her expertise in the many areas of work covered in my office. In case of illness or emergency, these two employees will be able to serve you well.

In the Tax Dept., the Warrant shows another increase of \$238,135.84 and as of December 31st, 87% of the total was collected. Total Resident Taxes were 3,499 an increase of 130. The balance of the Unredeemed Taxes for 1983 and 1984 is \$76,178.33 which is \$3,175.78 less than last year. A Notice of Tax Delinquencies and Arrearages will be mailed to each delinquent taxpayer.

Effective in 1984, the bill for property taxes is sent to the current owner at the time the bill is mailed, rather than the owner of record as of April 1st. A courtesy copy of the bill is now mailed to the old owner. The transfers are all updated to September 1st before the tax rate is set. The mailing date of the bills is governed by the time that the Selectmen finish their work and go to Concord to get the Tax Rate. In 1985 the School Department caused about a 3 week delay in getting the rate. We also had two big problems with the Computer Co. who printed all the bills one space lower and thus did not fit the window envelope. Each envelope had to be trimmed before mailing. After everything was finally mailed the Selectmen's Office discovered that the Computer Co. had failed to cancel the 1984 Inventory penalties and it was necessary for me to type new bills for 133 people effected by this mistake. It was hectic. The Computer Co. was "blasted out" and did give the Town a credit on the bill.

Many thanks to the Board of Selectmen, Treasurer and all other officers and committees for their fine cooperation all year. Again, one of the most pleasant things of the year was the 4th Holiday Party on Dec. 14th at Sawyer's for Town Employees, committee members and guests. There were 129 reservations and I want to thank everyone who helped to make the party a big success.

A sincere thank you to all residents for the continued support which you have shown me. I am commissioned as a Notary Public and Justice of the Peace, serving all Town Departments as well as the residents. It continues to be a pleasure to serve Kingston as I complete 26 years as Tax Collector and 16 years as Town Clerk.

27. To see if the Town will vote to adopt the following ordinance:

BY-LAW PROVIDING FOR THE REGULATIONS OF LARGE ASSEMBLIES

Purpose:

The Town of Kingston finds and declares that it is necessary for the protection of the health, safety, and welfare of the general public and for the inhabitants of the town that rules and regulations be established for the purpose of regulating large assemblies. Such rules and regulations to provide for proper sanitary, fire, police, health and safety measures in connection with large assemblies and gatherings.

Activities Regulated:

This By-law, including the requirements for permit and application, applies to any assembly or gathering of persons within the Town of Kingston for the purpose of entertainment, games, shows or exhibitions at which two hundred and fifty (250) persons or more may reasonably be expected to be present. This by-law shall not apply to gatherings for religious or political purposes unless the primary purpose for such gathering is the raising of funds and the primary activity at the gathering is an entertainment, game, show, exhibition, amusement or other activity otherwise intended to be regulated by this by-law.

Permit Required:

It shall be unlawful for anyone to allow, permit, promote, conduct, or advertise any such assembly or gathering unless a valid permit has first been obtained therefore from the Board of Selectmen.

Penalty:

The violation of this by-law shall be deemed a violation and shall be punishable by a fine not to exceed \$100.00 payable to the Town of Kingston. Every day a violation of this by-law continues shall constitute a separate offense. Additionally, the Board of Selectmen are authorized and directed to take injunctive relief in the Superior Court to enforce or avert any breach of this by-law. In the event of any such action, the Town, provided it prevails, shall be entitled to collect from the Defendants all costs and expenses of the litigation including but not limited to reasonable attorneys' fees.

Requirements for Application:**A. APPLICATION**

An application for a permit must be submitted to the Board of Selectmen at least thirty (30) days prior to the date on which the event is to be held. If the application is not approved, the denial shall be in writing setting forth the reasons for the denial.

If the Selectmen find that the event is likely to occasion damage to municipal property or property of private parties or if they find that it is likely that the Town will have to make expenditures in connection with the event, the Selectmen, in

their discretion, may require a bond in the form of cash or other surety to be posted by the promoter prior to the date of the event, to satisfy such damages to public or private property, reimbursement for the expenses of any town department, and any or all other expenses incurred by the town as a result of the event.

Any or all unexpended funds from said cash or surety shall be returned to the promoter within ten (10) days following the event unless there remain contingent liabilities such as court appearances by Town police officers that have not been determined. In that event, the Selectmen may set a reasonable reserve for all such contingent liabilities.

B. REQUIREMENTS

The applicant shall furnish the Board of Selectmen with the following information:

1. The name and address of the owner of the land involved and the exact location of the land where the activity is planned.

2. The name and address of the owner of land to be used for parking or other ancillary uses incidental to the activity and the location on said land of the ancillary activity.

3. The date or dates and hours during which the event is proposed to be conducted.

4. An estimated number of attendees for each day the activity is conducted.

5. An explanation of the content of the program of the event and plans for supplying water, food, sanitation including but not limited to sewerage, garbage and rubbish, medical and first aid facilities, vehicle parking space, on-site traffic control, wrecker service, and plans for maintaining vehicle routes to allow access for emergency vehicles to the event.

6. Explanation of the applicant's plan for policing the activity should more persons attempt to attend the event than allowed by the permit.

7. Provisions for cleanup of the premises and surrounding areas and removal of rubbish at the conclusion of the event.

8. Such other information pertinent to the event as the Selectmen or any other officer of the Town finds is reasonably necessary in order to determine whether or not the permit should be granted.

9. The number of public health and safety personnel by type. The applicant must provide an adequate number of fire and policemen, first aid practitioners, and other public health and safety personnel. Such personnel shall have qualifications which, at a minimum, are equivalent to those required of the Town's fire, police and safety officials.

10. The applicant shall, in his application, disclose whether or not alcoholic beverages are to be sold on the premises and if they are to be sold, a copy or other verification of the liquor license under which the sale will be made shall be attached.

C. ADDITIONAL INFORMATION

1. Drinking Water

The applicant shall demonstrate that the source of the drinking water is adequate and shall demonstrate to the health officer that it is of potable quality.

2. Sanitary Facilities

The applicant shall provide adequate toilet facilities for both sexes. A minimum of one (1) water closet, chemical or sanitary privy unit must be supplied for each seventy-five (75) persons.

3. Parking

The applicant shall have on the premises or on land contiguous thereto, automobile parking spaces equal to one-fourth of the number of persons allowed to attend the event.

4. Hours of Operation

The applicant shall operate the event only on the days and hours specified on the permit.

5. Control of Admission

The applicant shall not sell, give or distribute a greater number of tickets than the number which the permit allows.

6. Advertising

The applicant shall not advertise, or announce by any means or medium, including, but not limited to pamphlets, handbills, newspapers, press releases, radio or television, the holding of such event prior to the granting of the permit.

7. Illumination of Area

The applicant, if planning an event after darkness or if planning to allow persons who attend the event to remain on the premises after darkness, shall provide electric illumination to insure that the areas to be used are adequately lighted.

8. Permit Not Transferable

No permit granted under this by-law shall be transferable to another location, another person, or entity, or another date without the approval of the Board of Selectmen. The applicant, if not the owner of the parcel or parcels on which the event is proposed, shall have the written authority of said owner to make application before the Board.

Municipal Action:

The Selectmen in approving or disapproving of an application shall weigh the effect on the health, safety, and general welfare of the inhabitants of the town and those attending the proposed event against the constitutional rights of people to assemble freely. It is specifically found by the Town Meeting convened that large assemblies, particularly for purposes of entertainment, have resulted in one or more of the following nuisances to private citizens and the public-at-large within the town, namely:

- a. loud and unpleasant noise
- b. congestion on state and municipal roads in the vicinity of event
- c. unsafe driving by spectators at the entertainment facility, particularly while driving under the influence of alcohol and controlled substances.
- d. litter and rubbish on the property in question and abutting properties
- e. parking of participant automobiles in an unsafe manner on public ways and on private properties of persons not connected with the event
- f. other miscellaneous nuisances

It is recognized by the town that the Federal and State Constitutions guarantee all citizens the right to assemble for purposes of free practice of religion and speech, among other things. This by-law is not intended to control religious or political gatherings except when a primary function of those gatherings is an entertainment activity of the type here clearly intended to be regulated.

It is recognized that an event or a facility which is appropriate for four hundred (400) people may not be appropriate for four thousand (4,000) people, an event which is

appropriate for daylight may not be appropriate after dark, an event which is appropriate before 11:00 p.m. may be inappropriate after 11:00 p.m., an event which is scheduled for attendance for ten thousand (10,000) people with no on-site alcoholic beverage sales may not be appropriate for the same number of attendees with a performer appealing to teenagers and with on-site sale of alcoholic beverages. Given the wide variety of activities meant to be regulated by this by-law and the presence within the town of facilities capable of accommodating several thousand people, it is hereby found that the Selectmen are able to make determinations based on past experience.

The Board shall act within fifteen (15) days of receiving an application and shall approve, deny or approve subject to certain conditions, every application placed before it in accordance with this by-law. Such action shall be conveyed in writing to the applicant.

The Selectmen shall, in their posted notice of their meeting, indicate that an application shall be discussed and shall further indicate in the notice the location of the property where the event is to take place.

28. To see if the Town will vote to amend Article 6.17 to read: "Septic tanks, cesspools, privies or sewage disposal areas shall be placed not less than one hundred (100) feet from any proposed or existing water supply, well, stream, pond, marsh, swamp, wet meadow, wetlands or other body of water. No subsurface wastewater or sewage disposal system shall be installed on filled wetland."

29. To see if the Town will vote to adopt the following ordinance:

RULES AND REGULATIONS GOVERNING THE INSTALLATION OF NEW SEWERAGE DISPOSAL SYSTEMS

1. DEFINITIONS.

a. "Persons" shall mean any individual, partnership, corporation or other entity.

b. "Plans and Specifications" shall mean any drawings, documents or plans upon which the design and construction of the proposed installation of the sewerage disposal system is to be based.

c. "Sewerage Disposal System" shall mean any septic tank, leach field, dry well, any pipes, conduits, or other means of carrying away sewerage and waste matters, or other equipment used in conjunction with any of the above and associated with the removal, disposal or carrying away of sewerage and other waste products.

2. Any person who intends to install a new sewerage disposal system, shall first submit the plans and specification for such work to the Health Officer for his review and approval prior to the commencement of any construction.

3. Following the submission of the plans and specifications to the Health Officer and his review and approval of such plans the Health Officer shall inspect the site of the proposed installation to confirm compliance with applicable New Hampshire Statutes, Water Supply and Pollution Control Regulations and the Ordinances and Regulations of the Town of Kingston.

4. At the time of the submission of the plans and specifications to the Health Officers, the person intending or desiring to undertake the work shall pay to the Town a permit fee of \$50.00 for each sewerage disposal system to be installed.

5. The plans and specifications submitted to the Health Officer for his review and approval must be prepared by a person holding a permit pursuant to New Hampshire RSA 149-E:x(a) and must be installed by a person approved by Water Supply and Pollution Control Commission as a sewerage disposal system installer pursuant to New Hampshire RSA 149-E::3-a, except for persons installing sewerage systems on their own land who meet the criteria of New Hampshire RSA 149 149-E:3 and RSA 149-E:3 b.

6. If, following inspection by the Health Officer, the Health Officer finds that the construction to be undertaken:

a. conforms with the requirements of this ordinance, he shall issue written approval for the proposed construction; or,

b. does not conform with the requirements of this Ordinance, he shall, in writing, reject the plans and specifications and return them to the person who submitted them for correction and resubmission.

7. After the Health Officer has issued written approval of the plans and specifications, no changes or additions may be

made in said plans or specifications without a resubmission to the Health Officer and subsequent written approval of the proposed changes.

8. At the time of resubmission of the plans and specifications to the Health Officer, the person intending or desiring to undertake the work shall pay to the Town a resubmission/reinspection permit fee of \$25.00 for each sewerage disposal system to be installed.

9. Any person who violates any provision of this Ordinance shall be subject to a fine of \$100.00 per day for each day the violation is found to exist.

10. This Ordinance shall become effective upon its acceptance at Town Meeting.

30. To see if the Town will vote to adopt the following Ordinance:

ORDINANCE - ADOPTED OCTOBER 31, 1985

RELATIVE TO SPECIAL PLATES FOR FORMER PRISONERS OF WAR

An Ordinance adopted pursuant to New Hampshire RSA 261:157-A waiving the fee to be charged for a permit to register one motor vehicle owned by any person who was a former prisoner of war.

The Selectmen of the Town of Kingston pursuant to the provisions of New Hampshire RSA 261:157-A hereby waive the fee to be charged for a permit to register one motor vehicle in the Town of Kingston owned by any person who is a resident of the Town of Kingston who was captured and incarcerated for thirty (30) days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28, IV and who was honorably discharged, provided that such person has provided to the Town Clerk of the Town of Kingston satisfactory proof of these circumstances.

31. Upon petition of Gertrude W. Semple and 11 other voters: "To see if the Town will instruct the Board of Selectmen to appoint a committee of five or more voters to study and propose plans for the observance and celebration of the Town's 300th Anniversary in 1994, and to make a recommendation for preparation of a new Town history. Said committee to submit a report for the 1987 Town Meeting."

32. On petition of Donald J. Eadie and 13 others: "To see if the Town will vote to approve the following: resolved, that the residents of the Town of Kingston wish to express their dissatisfaction with the legal services currently being provided by town counsel. Further, that the residents of Kingston instruct the Selectmen to replace the current town counsel. Said replacement to be determined by open bidding for legal services."

33. On petition of Richard A. Lang and 19 others: "To see if the Town will vote to designate the following area (Hunt Road lot as described below) as a Town Forest in accordance with RSA 31:110-113 to be under the jurisdiction and managed by the Town Conservation Commission as provided for by RSA 36-A:4 for the following multiple use purposes: timber management, wildlife management, passive recreational use, and as an educational tool for the town school system.

"Hunt Road Lot: Approximately 1 1/2 miles from Route 125 on South side of Hunt Road. The lot consists of approximately 103 contiguous acres designated on the Town Map as R-6 Parcel 6; R-6 Parcel 12; R-1 Parcel 13; R-1 Parcel 12; R-1 Parcel 11."

34. To see if the Town will vote to establish a trust fund to be known as the Isabelle Magnusson Trust to be supervised by the Trustees of the Trust Funds. The amount for which is to be used for the beautification and improvement of the Kingston plains or commons, so called. Any balance remaining from the income of such trust shall be used for maintenance of the Kingston plains or common on an annual basis. The funds for the establishment of this trust fund have been bequeathed to the Town of Kingston under the will of Isabelle Magnusson.

35. To see if the Town will vote to accept Colcord Road as a Town road.

36. To see if the Town will vote to raise and appropriate the sum of \$3,700.00 for wage increases for Town employees who are eligible within the wage matrix of the Town of Kingston.

37. On petition of the Kingston Fire Wards and 11 others on behalf of the Kingston Fire Department: "To see if the Town will vote to delete the figure \$1,000.00 from item #2 of the 1986 Fire Department budget and insert in its place the amount \$2,900.00"

38. On petition of the Kingston Fire Wards, and 14 others on behalf of the Kingston Fire Department: "To see if the Town will vote to raise and appropriate \$25,000.00 to be added to the Capital Reserve Fund for the future replacement of Engine #2 1968 Chevrolet."

39. On petition of the Kingston Fire Wards, and 14 others: "To see if the Town will vote to withdraw from the General Fund all monies received from the use of the ambulance for the 1985 and to place all monies from the use of the ambulance into a Capital Reserve Fund for the future replacement of the ambulance. 46. Are you in favor of the adoption of the Public Land Acquisition Ordinance as proposed by the Planning Board?

Whereas the growth of the town will require expansion of community facilities. This could include, but not be limited to, public buildings, playgrounds, open space areas, well fields for future town water, etc. Purchase of such land will be very expensive. We therefore make the following proposal for an ordinance.

Public Land Acquisition

Land in the Town of Kingston which becomes town property by tax-deed or other means shall be publicly reviewed by the Board of Selectmen, the Planning Board, and the Conservation Commission. The purpose of this review will be to determine if any parcel will have future suitable use as public land. Any parcel identified for such future public use will not be auctioned off but will remain town land.

47. Are you in favor of the one work amendment to the existing Gravel Pit Ordinance as proposed by the Planning Board?

Whereas State RSA 155-E assigns the Planning Board of a town to be regulator of gravel pits. In order to bring the town Gravel Pit Ordinance in compliance the following amendment is proposed, to change the word "selectmen" in the first sentence to "planning board."

Gravel Pit Ordinance

Removal of fill, gravel, stone, or loam for commercial purposes provided that a permit is granted by the PLANNING BOARD and: (the rest of the ordinance remains the same).

48. Are you in favor of the adoption of Growth Management Interim Regulation as proposed by the Planning Board?

Growth Management: Interim Regulation/Preamble

Pursuant to RSA 674:23, the Planning Board of the Town of Kingston, N.H. makes the following findings of fact:

1. The annual rate of population growth for the State of New Hampshire during the period from 1980 to 1985 was 1.38%, during this period the rate for Rockingham County was 2.19%; the rate for the Town of Kingston was 3.93%.

2. Office of State Planning figures show Kingston to be one of the 19 fastest growing communities in the state. These 19 (8% of the total communities) absorbed 50% of the state population growth for the 1980-85 period.

3. The existing structures of the Sanborn Regional School District are at or near capacity. The two elementary schools will be unable to accommodate any increase in the student population without construction of additional facilities.

4. The fire and police departments have the same facilities they had when the population of Kingston was half its present size. There is already pressure to expand their facilities and increase their equipment.

5. The miles of new roads added with new subdivisions, and the increased traffic on roads needing repair, such as Hunt Road, have taxed the town road department to its maximum.

6. The Town of Kingston through the Planning Board must have sufficient time to assess and implement measures to safeguard much of the region's surface and groundwater sources situated or originating in Kingston against environmentally damaging developments.

7. It is necessary for the Planning Board to complete a capital improvement program to effectively plan capital improvement projects for a minimum of six years, so that municipal services and the school system can be funded fairly and sufficiently to accommodate future growth.

8. It is the finding of the Planning Board, that due to the above findings of fact unusual circumstances exist which require the passage of the following Growth Management: Interim Regulation.

Growth Management: Interim Regulation

The "Growth Management: Interim Regulation" shall be of a term of maximum of one year so as to allow the Planning Board adequate time to (1) complete a capital improvement program; (2) consider a growth management ordinance for a term in excess of one year. The proposed Ordinance limits building permits for new single family residential units and mobile homes to 48 per year and limits building permits for new single bedroom dwelling units to 24 per year.

All dwelling units, including manufactured homes, within the Town of Kingston, whether seasonal or permanent, shall be in conformity with the provisions of this Ordinance. No dwelling unit which fails to meet the requirements of this Ordinance shall be constructed or placed within the Town of Kingston.

- I. Residential Building Permits shall be divided into 3 classes as follows:
 - (a) Class (A) Single Family Residential and/or Multi-Bedroom Units.
 - (1) Building permits shall be limited to 48 addition units, including manufactured housing per year. However, no more than 50% of said building permits shall be issued for manufactured housing.

- (b). Class (B) 1 Bedroom Dwelling Units
 - (1) Building permits shall be limited to 24 units per year. However, any structure which shall contain more than 2 units must be subject to site review and all residential requirements including, but not limited to, acreage. An alteration, addition, or deviation from the original proposal will require a new site review and approval by the Planning Board.
 - (c) Class (C) The number of permits for non-dwelling construction, senior citizen housing, Federal housing or permits for expansion, alteration, renovation or replacement of existing dwellings will not be limited by this Ordinance.
- II. The following shall be the application procedure for obtaining building permits:
 - (a) All completed applications for building permits shall be submitted, in person and by appointment only, to the Board of Selectmen at the Town Hall on Wednesday evenings. Appointments shall be made by contacting Town Hall staff during regular business hours.
 - (b) Class A building permits shall be issued at the rate of 48 per year.
 - (c) No applicant may apply for or receive more than one (1) Class A permit per month for the months of March through August. An applicant may not apply for or receive a total of more than 4 Class A building permits per year. An applicant may apply for as many as 3 building permits in September or October as long as the same applicant does not receive more than 4 total Class A permits for the year beginning with the enactment of this Article.
 - (d) Only applications received by the twenty-fifth of a month when building permits are issued will be considered for that month. The building permits issued by the Building Inspector shall be posted at the Town Hall by the tenth day of each month for the preceding month's applications. If fewer than 4 permits are issued during the months of March through August or fewer than 12 permits are issued during the month of September remaining permits shall be carried over to the succeeding month when permits are issued. In the

event of ties, the earlier date of application shall prevail, and the comparable applications which fail to be granted when first submitted will be submitted by the Building Inspector to compete in the subsequent month.

- (e) Class B building permits shall be issued at the rate of 24 per year.

III.

- (a) The owner of controlling interest in any legal entity, regardless of whether said interest is held as an individual, joint tenant, tenant in common, partner in a partnership, shareholder in a corporation, or combination thereof for the purpose of this Ordinance shall be termed the applicant. No application for a building permit will be accepted from a party who, in an attempt to avoid the permit limitations of this paragraph, has failed to pay fair consideration as defined by RSA 545:3 for the lot which is the subject of the permit.
- (b) Change in a dwelling from seasonal to permanent use shall require inspection and approval by the Building Inspector and Water Supply and Pollution Control Commission. (RSA 149:E).
- (c) Building permits issued hereunder shall not be transferable and shall apply to a specific project, location and applicant only. Work proposed shall commence within six months of the date of issuance and shall be completed within two years. Failure to commence construction in a timely fashion shall result in the expiration of said permit.

IV.

- (a) For the purpose of this Ordinance, dwelling unit is defined as a room or group of rooms designed and equipped exclusively for use as living quarters for only one family or one unrelated household including provisions for living, sleeping, cooking and eating.
- (b) A family shall be defined as a number of persons living together and related by blood, marriage or adoption.
- (c) An unrelated household is defined as a number of unrelated persons living together provided that no such household shall have a number of members in excess of one person for every 300 square feet of floor space in each dwelling unit.

- (d) Senior Citizen housing means a group of small dwelling units situated and arranged so as to provide comfort, security, social contact, convenience and congenial surroundings for permanent residents at least 55 years of age and the Selectmen shall revoke the building permit or certificate of occupancy of any owner or developer allowing occupancy by persons below such age.
 - (e) Federal Housing is multi-unit housing which is specifically funded by the State or Federal government or agencies thereof for the use and occupancy of the elderly, handicapped or economically disadvantaged persons qualifying under the programs funded by the State or Federal governments.
- V. Should any section or provision of this Ordinance be declared by a Court of appropriate jurisdiction to be invalid, such decision shall not invalidate any other section or provisions of this Ordinance.
- VI. The effective date of this Ordinance is upon passage. The within Ordinance shall expire one year from the effective date of an Ordinance adopted under RSA 674:22.

SAID QUESTION TO BE VOTED BY WRITTEN BALLOT

49. Are you in favor of the adoption of the Innovative Zoning Ordinance proposed by the Planning Board?

Innovative Zoning Proposal/Preamble

The Planning Board proposes a new ordinance in keeping with the Master Plan. The purposes of the Kingston Innovative Zoning proposal are to encourage flexibility in the design and development of residential land uses in order to: (1) promote the conservation of open space, (2) promote the efficient use of land, (3) allow for a mixture of residential housing types while minimizing negative impacts on surrounding properties, and (4) increase the supply of single bedroom housing in the town.

To promote these purposes, the ordinance has the following objectives:

- 1) To maintain the same overall density as if the total subdivision were developed with the 80,000 square foot lot sizing rules, but allow for smaller individual lots in exchange for dedicated open space equal to the reduction in lot size.
- 2) To preserve the natural and scenic qualities of open space and environmentally sensitive lands.
- 3) To permit duplexes and multi-family housing within the innovative zone.
- 4) To provide adequate setback and buffering requirements to protect existing residential property values and preserve the rural character of the town.
- 5) To provide for single bedroom housing units in town.

Innovative Zoning Proposal

B. Procedures

For the purpose of this Ordinance, innovative zoning development is defined as a form of land subdivision. All proposals submitted under this Section shall follow the standard subdivision procedures for application and review established by the Kingston Planning Board. In cases where multi-family units (defined as structures containing more than two dwelling units) are proposed, the development shall also be subject to site plan review by the Planning Board.

C. General Regulations

1. Permitted Uses. Cluster Developments shall be permitted for residential and appropriate recreational uses only.
 - a. Detached single family units.
 - b. Townhouse multi-family units of up to four (4) individual units per structure.*
 - c. Buildings accessory to a permitted use.
 - d. Outdoor recreation, which is incidental to residential use, provided that such use does not result in noise, odors, unsightly or dangerous activities which are injurious or detrimental to the neighborhood.
2. Building Density
 - a. The total number of dwelling units allowed within a cluster development shall be no greater than that permitted for a conventional subdivision or multi-family use on the same parcel under the Kingston

- Zoning Ordinance and Subdivision Regulations. The overall building density for a cluster development shall be determined by subtracting all land that would be excluded from development by the Kingston Wetlands Ordinance, then subtracting ten percent of the remaining land for roads and utilities, the remainder of this would be divided by 80,000 square feet to determine the number of dwelling units. The allowed number of units may be grouped or dispersed over the project area in any fashion within the limits imposed by applicable lot dimension restrictions and septic system siting requirements.
- b. No cluster development authorized by this Ordinance shall contain less than twenty (20) acres of contiguous land.
3. Dimensional and Lot Requirements. Standard dimensional and lot size requirements shall be waived for innovative zoning and replaced with the following:
 - a. External Setback:

Front: No structure or parking area in a cluster development shall be located within 200 feet from a public right of way in existence prior to the cluster development proposal.

Side and Rear: No building or parking area shall be within 100 feet of an abutting property line to the subdivision.

Natural Screening: The natural vegetation within the external setback areas shall be left undisturbed except for the purposes of providing access to public streets and ensuring proper sight distances as determined by the Kingston Road Agent.
 - b. Internal Setback:

No structure shall be closer than thirty (30) feet from the right of way of a proposed street or parking area.

No structure shall be located within thirty (30) feet from an adjacent structure or within fifteen (15) feet of an internal lot line.
 4. Water and Septic Systems. A cluster development or portions thereof may be served by common water and septic systems. No proposal involving community disposal systems shall be approved by the Planning Board until legal responsibility for ownership and maintenance is established and found to be satisfactory by the Board. The design, siting and construction of both

common and on-lot septic systems shall be subject to all applicable local and state regulations including the incorporation into the project design of backup leach field areas.

5. Open Space.

a. A minimum of one-third (33%) of the total project area, not including wetlands, shall be set aside for a common open space intended for the use and enjoyment of the residents of the development. This common open space shall be permanently restricted for recreation, open space or conservation uses. It shall not be resubdivided but may contain accessory utility structures and improvements necessary for the development or for educational or recreational use. The open space or common land, or any portion of it shall be held, managed and maintained by the developer until it is owned in one or more of the following ways:

- (1) By a Homeowners' or Condominium Association, set up by the developer and made a part of the deed or agreement for each lot or dwelling unit;
- (2) By a Conservation Trust or private non-profit organization, such as the Society for the Protection of New Hampshire Forests or Audubon Society, which will ensure that the common land will be held in perpetuity as open space;
- (3) A public body which shall maintain the land as open space for the benefit of the general public - for example, the Town.

All agreements, deed restrictions, organizational provisions for a Homeowners' Association and any other method of management of the common land shall be established prior to Planning Board approval.

b. Common open space areas shall have adequate access to allow for recreational use of those areas.

6. Maintenance of Open Space and Other Common Features. In cases where the proposed cluster development results in areas or project features of common ownership, there shall be established procedures and responsibilities for the perpetual maintenance of open

space, private streets and utilities by the inclusion of covenants running with the land in the deeds or other instruments of conveyance delineating such areas in accordance with R.S.A. 479A; and,

- a. Obligating purchasers to participate in a homeowners' association and to support maintenance of the open areas by paying to the association assessments sufficient for such maintenance and subjecting their properties to a lien for enforcement of payment of the respective assessments;
 - b. Obligating such an association to maintain the open areas and private streets and utilities;
 - c. Empowering the Town, as well as other purchasers in the development, to enforce the covenants in the event of failure of compliance; and
 - d. Providing for agreements that, if the Town is required to perform any maintenance work pursuant to item c. above, said purchasers would pay the cost thereof and that the same shall be a lien upon their properties until said cost has been paid; provided that the developer - or if the developer is not the owner of the development, then such owner - shall be a member until all of the lots of record are sold. Other equivalent provisions to assure adequate perpetual maintenance may be permitted if approved by the Planning Board.
7. Single Bedroom Requirement.

Each subdivision of twenty acres or more developed in the Rural Residential Zone, according to this ordinance, shall contain at least one four unit building having four single bedroom living units. Single bedroom units are restricted in occupancy to two people. Said building will require one building permit.

*Townhouse units are defined as units separated by party walls in which no portion of a dwelling unit extends over a portion of another.

SAID QUESTION TO BE VOTED BY WRITTEN BALLOT.

50. To see if the Town will vote to raise and appropriate the sum of \$4,375.00 to establish and fund the position of part-time clerk for the Selectmen's office at wage matrix level grade X.

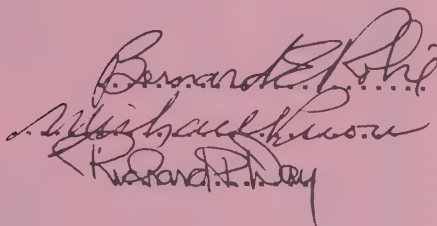

51. To see if the Town will vote to authorize the Selectmen to sell tax deeded property at public auction.

52. To see if the Town will vote to accept the auditor's report for the Town report as printed.

TRUSTEES OF TRUST FUNDS REPORT - 1985

There was no change in membership of the Board in 1985; Leonard F. Sanborn was reelected in March. A summary of trust fund accounts and a listing of new cemetery lot trust funds are given in the accompanying financial report. The full report of accounts is on file with the Selectmen, the Trustees and required State offices and may be seen on request.

TRUST FUNDS

Ten new cemetery lot, perpetual care, trust funds were established in 1985. Six new special trust funds were established as follows:

Waldo and Isabelle Magnusson

To create and care for a park on donated land.

Waldo and Isabelle Magnusson

For beautification, improvement and maintenance of the Plains.

Waldo and Isabelle Magnusson

For scholarships at Sanborn Regional High School.

Joseph Ferrara Memorial Fund

For Sanborn Regional Schools

Leslie T. Hill Memorial Fund

For Sanborn Regional Schools.

Tammy Matuzos Memorial Fund

For Sanborn Regional Schools.

Departmental reserve funds are invested separately as listed.

CEMETERIES

For 1986, the town share of cemetery costs requested remains at \$7,000 with the balance to be covered by trust fund earnings.

New fencing was installed at Pine Grove Cemetery and for small enclosure at the Robinson Cemetery on the Exeter Road. A new mower and two power trimmers were purchased.

Maintenance work was performed by George Leate (South Kingston), Donald Nason, Joseph Camire, Sr., and Charles Geary, Jr.

REPORT OF THE NICHOLS MEMORIAL LIBRARY

Six hundred and twenty six volumes were added to the collection during 1985, thirty of which were donated. Weeding of the books is an on going process as the books become outdated or worn, and space continues to be a problem. The library is almost one hundred years old. The only change that has been made in the physical plant was in 1969 when the children's room was established in the basement.

The parking problem still has not been resolved. The trustees once again presented a proposal to the Historic District Commission which was approved. There will be a warrant in the town budget again this year.

In September, a TRS-80 Model III computer and printer was very kindly donated to the library by Larry Rich. Jerry Larson of Fremont, donated a table to hold this equipment. The computer is available to the residents as well as the library personnel.

Waldo M. and Isabelle G. Magnusson, long time residents of Kingston, bequeathed a generous sum of money to the library this year. They directed that "the income from said fund to be used for purchase of books for said library with preference being given to the purchase of children's books."

To date, these funds provided three sets of encyclopedias, a children's dictionary, and twenty eight volumes of fiction and non fiction. Each book has a memorial plate affixed to it.

The Children's Librarian, Florence Campbell, left in August for a full time teaching position. Jean Emmons, of Kingston, was selected by the trustees as her replacement on a trial basis. In December, this was changed to a permanent position.

Jean conducts story and craft hours every Tuesday morning when there are approximately twenty children in attendance.

KINGSTON CONSERVATION COMMISSION ANNUAL REPORT 1985

The KCC has been very active this past year with site inspections related to our Wetlands Ordinance: review of Dredge/Fill permit requests for the State Wetlands Board, investigation of water quality issues, and evaluation of land capabilities with the Planning Board for sub-division proposals and site review. We also were pleased to contribute to Kingston's Master Plan, particularly water resources, recreation and open space needs.

The KCC also spearheaded participation in Water Resources Action Project, which assisted six NH communities in finding solutions to water quality problems and help make long range plans for protection and management of our abundant water resources. WRAP was a joint effort of the NH Assoc. of Conservation Commissions, Natural Resources Forum and the NH Municipal Assoc. They assembled a group of experts from both public and private organizations who were willing to donate their time to this effort. Also, the United States Geological Survey is in the process of better defining aquifer areas in NH, and conducted groundwater survey work in the north end of Kingston. It is possible that our water resources might supply surrounding towns as well. There is an immediate need to protect the quality of our water resources.

Members of the KCC also participated in the planning and production of a Household Hazardous Waste Clean-Up, sponsored by SRRPC. A survey of citizens participating in this clean-up indicated a need for an annual program to collect polluting substances which usually end up in the landfill or simply poured into the ground. This is a particularly important issue in a town that relies on individual wells for its water supplies.

Another focus for the past year has been Forest Management. Considerable work was done on a 103-acre tract of Town-owned property located on Hunt Road. We received help from the Cooperative Extension Service and the UNH Forestry Dept. in evaluating the timber and making a forest management plan. As a result of this work, the KCC is submitting a Warrant Article requesting that this land be designated official Town Forest, to be used for timber and

wildlife management and also passive recreational use for the Town. It will also provide a needed open space in an area which is growing rapidly.

We have great plans for the coming year - a well survey, development of an aquifer protection ordinance, identifying and protecting Prime Wetlands and water recharge areas, locating and cleaning up local sources of contamination, and developing a public awareness program. If you would like to help with any of these projects or have expertise you are willing to share, please call any KCC member or simply drop a postcard with your name and phone number to P.O. Box 223. Every little bit helps!

Diane Eadie
KCC Chairman

KINGSTON POLICE DEPARTMENT ANNUAL REPORT

The Kingston Police Department was very busy in 1985. Our motor vehicle accidents and serious calls were up twenty-two percent. Our increase in population, new roads, new businesses and new houses are the main reasons for our increased calls.

Officers James Champion is now our third full-time Police Officer and is attending the State Police Academy in Concord. Jean Spinella, our secretary, is now at the Police Station Monday through Friday, 9 a.m. to 2 p.m. and can be reached at 642-5742. Our emergency phone number is 679-2225. Deputy Chief Norman Bower attended the Prosecutor's School at the State Police Academy during December.

We would appreciate your support at the Town Meeting and your involvement in assisting your Police Department as you have in the past.

Respectfully submitted,

Chief Neil R. Parker, Sr.
Deputy Chief Norman M. Bower

KINGSTON CIVIL DEFENSE AGENCY

In conjunction with the emergency procedures that are being developed, refined, and continually updated, with regards to Seabrook Power Station, the Town of Kingston has obtained 4 warning sirens that are located throughout the Town.

In addition to these sirens being used for a situation at Seabrook Power Station, they are intended to be used by this town for appropriate notification as needed.

The Kingston Civil Defense Agency has applied for and received \$398.32, in reimbursement, from the Federal Government through the Emergency Management Assistance funding program.

Respectfully,

Larry Middlemiss, Director
Kingston Civil Defense

KINGSTON FIRE DEPARTMENT ANNUAL REPORT

The Kingston Fire Department continued its fine fire loss record in 1985. Our residents are to be commended for their fire safety precautions.

With an increase in new construction it has been a busy year for the Fire Inspector. It would be in the best interest of all if we could adopt fire safety codes. NFPA-101 Life Safety Code and Boca Building Codes would protect our people and firefighters and would insure a safer town for our children.

We responded to 157 fire calls and 238 ambulance calls.

I would like to thank Lt. Donald Briggs, Jr. of the Kingston Police Department who has repaired our radios and Arlene R. Sargent for her dedication and efficient operation of our Ambulance Squad.

I would like to thank our Fire Department Officers and our firefighters and Ambulance attendants for their cooperation and support.

I also wish to thank the VFW and Christie Medical Board for donations that help make our Ambulance one of the most up-to-date in the area.

Respectfully submitted,

Donald Briggs, Sr.
Acting Fire Chief

KINGSTON PLANNING BOARD ANNUAL REPORT 1985

Along with subdivisions, site plans, and driveways, the board accepted a Master Plan this year. The Master Plan was the culmination of a great deal of work by present and past board members. We are especially grateful to the Rockingham Planning Commission and for the invaluable assistance by Steve Bird, Diane White and Annette Pettengill who ensured we made our deadline. In keeping with this document, we have proposed two new ordinances; one dealing with growth management and the other dealing with cluster zoning on large developments.

The work plan for 1986 will be to complete the Capital Improvements Program. This should allow a more even funding of the large town expenditures. The Office of State Planning shows Kingston as one of the 19 fastest growing towns in New Hampshire. This fact provides the board with both the challenge and the responsibility to guide this growth to the town's best advantage.

The make-up of the board has had three changes from last year. Selectman Richard Day replaced Selectman Bernard E. Robie as ex-officio member. Mitch Kneller replaced Chester Woodbury and Glenn Coppelman replaced Alfred J. Alberts. Al Alberts has served the town for ten years as a member of this board. The town and the board are grateful to him.

The board as it now exists:

Kenneth L. Weyler, Chairman
Robert L. Morse, Vice-Chairman
Bruce E. Goodwin
James T. Rankin
Glenn Coppelman
Mitchell Kneller
Richard Day, Selectman Ex-Officio
Carolyn Harlow, Clerk
Michael P. Higgins, Alternate

The Conservation Commission has made an important contribution to our work, especially Diane Eadie and Charles Ethier. Of special note is the work of Town Engineer, Kenneth F. Briggs, Jr. who contributed over two hundred hours of professional advice at no charge to the town.

Kenneth L. Weyler
Chairman

HISTORIC DISTRICT COMMISSION 1985 REPORT

The Historic District Commission had an average year of activity with twelve regular meetings and one special meeting. A meeting was also held at Town Counsel Dave Engel's office along with the Board of Adjustment. A total of fifteen applications were acted on during the year.

Four signs were erected for the Main Street Historic District - one at each end of the District on Main Street, one on Church Street and one on Depot Road.

Two grants have been applied for under the Certified Local Government Program which have been approved but not received as yet.

Our meetings are open to the public and we would encourage those interested to attend.

1985 RECREATION COMMISSION REPORT

This has been an exciting one for the Recreation Commission. We have tried some new programs, and most have been well attended. We worked cooperatively with several other groups in the community, which we think added measurably to a successful year for us all.

A new service offered to residents began in early fall - the commission has purchased family passes to the Boston Children's Museum and the Boston Museum of Science. It is still too early to tell if they will be used sufficiently to justify keeping them. We plan on having the passes available through 1986 to give them a fair test. They are available through the Town Clerk's office or the commission.

Just before Easter, we held a party for preschoolers jointly with the Friends of the Nichols Memorial Library. In spite of a rainy day, we had about 75 preschoolers attend, and many brought their parents. The Easter Bunny helped direct games at the Town Hall, to replace the egg hunt which had been planned for the Plains.

The summer playground program for elementary and middle school students was held again for six weeks at the Bakie School, with over 100 children attending daily. A special commendation goes to Ellen Hume, who has directed the program for several years. She and her staff cope admirably with many children, hot or rainy days and a myriad of planning details. Space continues to be a problem in that the room used at Bakie is not large enough to accommodate so many children. This summer, although we will still be in the school, we will be using other rooms; hopefully that will help the space problems.

During the summer, we held two activities for older teens. We sponsored a dance for high school students, with the aid of the Sanborn Regional High School Student Council. The dance was quite successful. For the second time, we sponsored a bus trip for an evening Portsmouth harbor cruise in August for teens only.

One family activity we had planned was not so successful. We had bought tickets for a Boston Red Sox game, based on an informal poll taken earlier in the spring. But the tickets did not sell as well as we expected. If we sponsor another trip this summer, we will handle it in a different manner.

The traditional Halloween party, which replaces trick-or-treating in the town, was very successful. Police Chief Neil Parker estimated 350 children plus parents attended. Again, space is a major problem. The size of the party is outgrowing the Town Hall. This year, to help with the space difficulties, we divided the children into two groups: the first through third graders stayed upstairs to play games, and the fourth and fifth graders viewed a movie downstairs. Prizes for the best costumes in several categories were awarded, thanks to the generosity of several local merchants. All children received bags of candy as they left.

In addition to the party for elementary children, the town, via the commission, donated cash to the Sanborn Regional High School and Sanborn Regional Middle School Halloween parties.

The final activity of the year was the annual tree lighting ceremony in early December on the Plains. This year, the Commission worked with several organizations for a festive evening. Cub Scouts provided two flatbed trucks for carolers to ride after the treelighting; Kingston Community House provided cookies for the evening; and Encore Theatre Group led a singalong at the Town Hall. A local merchant donated the Christmas tree.

We thank you for your support. Please let one of the commissioners know if you have a program or activity you would like for the town.

REPORT OF THE DEPARTMENT OF HEALTH

In October of 1985 the Board of Selectmen appointed two new Health Officers. Since that time we have come to realize that there are quite a few health regulations that are being either ignored or improperly complied with by contractors and commercial establishments. We hope to correct most of these problems within the next year.

Since our appointments we have conducted the following inspections:

Preliminary Septic System Investigations	33
Reinspection of Septic System	12
Subsurface Disposal Inspection	7
Occupancy	5
Conversion Inspections	2
Failed Systems	2
Complaints	2
Restaurants	5
Child Care Facility Inspections	1
Foster Home Inspections	1
